

ITEM

Deploy Rocket

+ #027/039

+ EPIC

+30 SPARK

From your laptop to production in 3, 2, 1...

EFFECT

Liftoff

Play a card from your hand out of turn. Liftoff now.

Equips to Astronaut • Robot • Hostarys

I use it to launch websites into space. Well, into the cloud, it's on the way. It has a huge red button that says "deploy." I love pressing it.
