# Halloween Night

#038/039

+ RARE

ALL NIGHT

Trick or cache

WHEN PLAYED

## Fright Night

Ghosts get +20 Spark. Everyone else gets a little spooked.

**Table effect** +20 Spark to your characters

**Season** Halloween

The most fun night of the year. I put on my witch hat, grab my pumpkin and go from website to website asking for candy. The fast ones give me more.
